The Mayo Gaels Intermediate winning panel of 1984 are celebrating a special forty year reunion this weekend. To mark the occasion, we are delighted to introduce and welcome our former heroes during the half-time interval of our senior championship game against Ballina Stephenites.

The Gaels secured the clubs first Intermediate Championship title by coming out on top of Charlestown, Kilmovee and Moy Davitts in the preliminary rounds and by defeating Bonniclon, in an exciting final, played in MacHale Park, on the 7th of October, 1984.

Please show your appreciation, today, to our 'Gaels Legends' for the great memories and for the huge contribution that lads have given, and continue to give, to the Mayo Gaels club.
