The trophy presented to the winners of the Mayo U21A Football championship is the Billy Kenny Cup. Billy was born in Claremorris, but the Kenny family left Claremorris in the late 1920s, eventually settling in Limerick. He played for Limerick during the mid-1940s, and was selected on the Munster Railway Cup team in 1947. Billy also represented UCG in the Sigerson Cup while a student there. He then declared for Mayo, being part of their 1950 All-Ireland winning team, although he suffered a career ending injury in the final.

After qualifying as a Doctor, Billy emigrated to Canada. During the 1960s, he returned to live in Sligo with his family, later relocating to Galway where he died in 1972. In 1971 Mayo GAA purchased a trophy, named the Billy Kenny Cup in his honour, to be presented to the U21 County Champions.
